

Siemens EA Customer Association Spring (SECA) 57 VIRTUAL Conference

After careful evaluation of the risks associated with travel due to the continuing threat of the Novel Coronavirus (COVID-19), the SECA Board of Directors has made the decision to reschedule the Spring SECA 57 user group conference that was planned for April 26-29, 2021 in Sacramento, CA. The safety and well-being of our members are the most important factors we considered in our decision to reschedule this conference. We have planned with the Kimpton Sawyer Hotel to reschedule and host the next Spring SECA Conference at the Kimpton Sawyer Hotel in Sacramento, CA in the Spring of 2022.

At this time, we are planning to have the Fall SECA user group conference as scheduled in Minneapolis, MN October 11-14, 2021. We will continue to monitor the Coronavirus threat and adjust our plans accordingly.

In place of the face to face conference we are going to hold a Virtual Conference **April 27-28, 2021 from 9:00 – 11:30 am CST** each day. (Put a reminder on your Calendar)

Day 1: Siemens Product Update and Spectrum Power 7 Product Demonstrations April 27, 2021 from 9:00 – 11:30 am

You can expect to hear about the following Products Updates:

- Spectrum Power™ Platform Updates
- Spectrum Power™ TNA / OTS
- Digital Grid Security
- Enterprise Modeling Management (EMM), Energy Imbalance Market (EIM), and Smart Grid Engineering Manager (SGEM)
- Microgrid Management System (MGMS)

Product Use Case Demonstrations:

- PowerScript Features
- IMM – Multi Instance Editor and Graphical Data Modeling
- TNA scenario using Quick Study

Day 2: Customer Updates and Presentations April 28, 2021 from 9:00 – 11:30 am CST

- SECA Updates - David Harris SECA Vice President
- Cyber Security Update
- Customer Site Updates

Date: April 27-28, 2020 from 9:00 – 11:30 am CST (Put a reminder on your Calendar)

Method: Teams Link will be provided after registration.

You can access the registration link on www.secaweb.com and your registration will work for both dates (the same link is valid for both days). Registration for the Virtual conference is free, and all who register will receive an electronic copy of the conference material

I look forward to seeing you in Minneapolis!

Regards,

Jack Campbell
SECA President
